- Develop a professional relationship with medical providers

Membership Criteria

- Fully credentialed in own field
- Carry Liability insurance (if applicable)
- Practice in the St. Croix Valley
- Committed to mindful, healthful living

Code of Ethics

- I agree to conduct myself with honesty and integrity at all times.
- I agree to consciously work within my scope of practice
- I agree to be a resource to other practitioners as well as my clients.
- I agree to attend meetings regularly in an effort to build relationships with others in the group.
- I understand that this group is run by volunteers and I agree to be an active volunteer for the success of the group.
- I understand that I must follow the Code of Ethics and fulfill the Member Expectations and that the group retains the authority to terminate my membership if I am in violation of the either.

St. Croix Healing Practitioners enforces compliance of its code of ethics by way of its ethics committee.
